

# SUSTAINABLE CITY

SERIES

VERSION 1.7

## SURPASS YOUR SUSTAINABILITY POTENTIAL

Harsh weather conditions and common wear and tear are no match for this series as exceptional quality is engineered into each container.

At Busch Systems, we've been designing quality products for over 30 years and have been a trusted source for reliable recycling and waste containers. From material sourcing to construction, we make longevity a priority so you don't have to.

Elevate your Corporate Social Responsibility by showcasing your dedication to environmental stewardship; exceed expectations by introducing the Sustainable City series.

# THE VANCOUVER

Add a burst of color to your community's recycling & waste program with the Vancouver. This round metal container accommodates up to three streams and comes with a sturdy plastic lid and durable body to withstand various elements. The Vancouver will be a pivotal part of keeping your community's outdoor space clean and free of litter.
