MOSAIC™

Introducing The Mosaic, an innovative and versatile modular recycling and waste container system! This premium-quality product features a sturdy and durable structure that incorporates customizable signage, along with our thoughtfully designed bag retention clips to keep bags securely in place, making it a perfect fit for businesses and public spaces. Expand your collection capacity seamlessly by incorporating additional containers and utilizing the innovative connector system for secure interlocking. The Mosaic offers various standard lid opening options in colors that help boost diversion, making your waste and recycling collection effortless, efficient and stylish.

ASPYRE™ COLLECTION

EXCEPTIONALLY CRAFTED
WITH OUR CUSTOMERS IN MIND

With sustainability as a top priority at Busch Systems®, journeying into recycled plastic lumber was an obvious next step in our product development. We have been incorporating recycled materials into the production of our recycling and waste containers for many years with the goal of decreasing the need to source raw materials and reduce our environmental impact. To continue our commitment to sustainability we created the Aspyre Collection™, exceptionally crafted with the best recycled plastic lumber to suit the needs of our customers.
